**Mother Daughter Adventure**

\* This camp experience is designed for a “break away” from the variety of daily demands and fast-paced schedules. Without the tug of normal distractions, mothers and daughters have an opportunity to make purposeful “together at camp” memories.

\* During this shortened camp week, plan to experience the basics of daily living. Also, be ready for an emphasis on the treasure of relationships available to mothers and their daughters.

\* Girls and their moms will sleep in cabins together. These cabins include a bathroom and are air-conditioned. The “regular” camp program for that week will also be in progress. Meals will be with the full camp.

\* Anticipate these days to be a refreshing time! Prepare to be open to simple adventure, doses of honesty, lots of laughter, and sweet discovery.

\* Since mother and daughter do all activities together, come well rested! And come expecting to see God at work!
